OUR STORY

MDA – Mood. Design. Aesthetics.

Three pillars. One promise: to deliver lighting that's as unique and timeless as the space it transforms. We are born from a vision, to go beyond illumination and create lighting that inspires, captivates, and transforms. We believe lighting isn't just functional - it's an essential part of design. It defines mood, defines design, and elevates aesthetics into something extraordinary.

Crafted with premium materials, luxurious finishes, and exceptional attention to detail, every piece in our collection reflects timeless elegance and unique character. Each design is created for those who value refinement in the everyday and seek beauty that stands apart.

MDA Lighting isn't just about lighting spaces - it's about shaping experiences, creating atmospheres, and setting the stage for moments that matter.

MARTEC® & MDA LIGHTING

MDA Lighting is now part of Martec®
We not only offer designer lighting, but also different solutions to make your Life, Enhanced.

MARTEC® Cooling

Martec® Cooling offers fans that combine high efficiency, quiet operation, and user-friendly control in a lightweight design. Powered by energy saving DC motors, featuring lightweight motors making installation easier for electricians. Their near-silent performance is perfect for bedrooms.

Each fan comes with a Smart DC remote control, featuring comfort sleep and breeze modes, plus six adjustable speed settings for personalised comfort.

MARTEC® Heating

Martec® Heating offers a wide range of bathroom heaters and accessories to suit all bathroom sizes and needs. From single heat lamps to stylish 3-in-1 units with 1, 2, or 4 heat lamps and tricolour LED lights, our products deliver instant, effective warmth.

Select new models feature high-performance DC motors for improved energy efficiency and quieter operation. With various IPX ratings and finishes available, our heaters blend seamlessly into any décor. Whether you need basic heating or multi-functional solutions, Martec® Heating enhances comfort and style in any bathroom.

MARTEC® Exhaust

Martec® Exhaust offers a flexible range of exhaust fans suited for bathrooms and various other spaces. With options in size, shape, IPX ratings, and tricolour LED lights, our fans fit seamlessly into any environment.

Featuring powerful ball bearing motors and advanced blade designs, they deliver efficient, quiet ventilation. For reliable, long-lasting performance, Martec® Exhaust ensures clean air and comfort wherever it's needed.

MARTEC® Lighting

Martec® Lighting offers a wide range of LED solutions, including downlights, surface-mounted fittings, and exterior lights. Our downlights and surface fixtures feature switchable colour temperatures and dimming options, compatible with Martec® dimmers for personalized ambiance.

Our exterior lights come with various IP ratings and optional motion sensors, providing reliable safety and security for any outdoor space. Whether for small projects or large installations, Martec® delivers quality, budget-friendly lighting tailored to your needs.

INDOOR LIGHTING

MDA Lighting redefines interiors with premium, designer lighting that blends exceptional quality, opulent style, and authentic craftsmanship. Each piece in our luxurious indoor collection is designed to do more than illuminate — it inspires, infusing every room with elegant warmth, decorative charm, and luxe sophistication.

Our unique, original designs reflect chic fashion sensibilities, balancing modern refinement with timeless allure. Whether enriching a cozy home or enhancing a polished business space, MDA Lighting delivers quality and artistry that transcend trends. Discover lighting that captures Mood, Design, and Aesthetics — and transforms interiors into extraordinary expressions of beauty.

OUTDOOR LIGHTING

We believe every exterior deserves illumination that is as elegant, unique, and authentic as the space itself. Our premium outdoor lighting collections combine exceptional quality, luxurious craftsmanship, and enduring designer appeal, merging performance with artistry.

Each fitting is crafted from opulent, weather-resistant materials and finished with decorative, luxe detailing that reflects MDA's essence — Mood, Design, and Aesthetics. From softly lit pathways to statement architectural highlights, our fittings elevate ambience and transform outdoor environments into timeless expressions of style. With MDA Lighting, experience original, chic, and fashion-forward illumination that endures beautifully through every season.

ACCESSORIES

Filaments by Martec®

A breakthrough in LED technology. Filaments by Martec® are the thinnest LED filaments currently available on the market. By utilising ultra-fine filaments, they achieve an unparalleled likeness to traditional incandescent bulbs, offering a level of authenticity that other LED alternatives cannot match. The result is a refined, vintage aesthetic that delivers the warm, nostalgic glow of the past with the superior efficiency of the future.
